EXPLORE, NETWORK, INTERACT

Hybrid SEMICON West 2021 connects the entire extended electronics supply chain—
in one place, at one time. It's the smart way to re-connect with your contacts, customers, partners, plus drive your business forward.

Visit us in booth #1556

HYBRID = IN-PERSON or VIRTUAL

The SEMICON West virtual portal allows access to the content and networking from around the globe. All In-Person passes include virtual access, alternately you can choose virtual only options during registration for free.
